

Learning Springs Academy, located in the Cambrian Park neighborhood of San Jose, is currently seeking motivated ABA Therapists to work in our school setting with our elementary children on the autism spectrum. ABA Therapists work one-on-one with children to support their success in a classroom setting. If you are a caring and dedicated person looking to make a real impact on a child's life, this may be for you as you will be teaching and helping to promote language, behavioral, social, and daily living skills in an inclusive school setting.

The ABA Therapist implements educational and behavioral programming including, but not limited to:

- Providing direct 1:1 therapy service in a child's class.
- Teaching new behavioral, social, and daily living skills.
- Effectively responding to and minimizing difficult or disruptive behaviors.
- Organizing and creating teaching materials.

Requirements:

- BA/BS degree in psychology or a closely related field (e.g., social work, education, etc.) - preferred.
- Minimum 6 months of ABA experience working with children on the autism spectrum – preferred.
- Effective oral and written communication skills.

Applicants must possess or be able to obtain the following along with additional training and clearances:

- Fingerprint clearance through the FBI and DOJ
- Proof of being fully vaccinated and boosted against COVID-19
- Proof of both Tdap and MMR vaccinations
- Proof of annual flu vaccination or declination letter
- Current CPR/First Aide certification preferred

We are looking for candidates with a genuine passion for working with children, great teamwork skills and excellent verbal and written communication skills!

Learning Springs Academy is an equal opportunity employer (EOE).
