SUNSCREEN AUTHORIZATION

SUNSCREEN POLICY: Parents are responsible for applying sunscreen to their child prior to arrival at school. If necessary, parents should provide sunscreen for their children while at school to reapply later in the day. **The parent must label the sunscreen bottle with the child's name and the current school year, complete this Sunscreen Authorization Form, and tape or rubber band the form to the bottle.** All sunscreen bottles will remain in our staff's care and are stored on-site (sprays preferred). Additionally, parents may also encourage their child to wear a hat when playing outdoors. **Please teach your child how to apply sunscreen correctly and talk with your child about the importance of applying sunscreen.** Staff will supervise but not apply sunscreen to children.

Child's Name _____ Room _____

As the parent or guardian of the above named child, I understand that my child will only use the sunscreen that I have provided. I understand that LSA staff will supervise and document the application of the sunscreen.

Please list name of sunscreen that is provided with this form: **Brand:** _____.
